Spline

Specialities

User Research
Interaction Design
Graphic Design
Illustration
Web Design
Product Design
Visual Arts

Experiences

July 2024 - August 2024

UX Design Intern at **Enfactum Pte Ltd**

Designed interfaces for HP's application using Figma, optimising the user experience for both clients and internal teams. The design focused on enhancing navigation, accessibility, and overall functionality to meet the needs of internal stakeholders and external users.

June 2024 - September 2024

Lead UX Designer at **PlushNest**

Led the development of an e-commerce platform on Shopify by curating a comprehensive product catalogue and designing an optimized website. In addition to setting up the site's structure, I crafted the logo and developed the brand identity, ensuring a consistent and visually appealing user experience.

June 2021 - September 2021

Graphic Illustrator at **PlasticSG**

Created engaging social media comic strips designed to raise awareness about the environmental impact of Bitcoin on carbon footprints. I also collaborated with graphic designers to produce visually appealing illustrations that communicated complex concepts in an accessible way.

June 2021 - September 2021

Graphic Illustrator at **UglyFood**

Developed and executed the 'Fruitify Yourself' campaign, offering customers a personalized digital print of their 'fruitified' version with every order. This initiative successfully increased sales while promoting healthy food habits and increasing customer engagement.

Certificates

Design Research & Insight Translation by Lextant

2024

Start the UX Design Process: Empathize, Define, and Ideate from Google

2023

Foundations of User Experience (UX) Design course by Google

2023

Adobe Certified Associate in Visual Design Using Adobe Photoshop

2023

Professional Affiliations

2023- present

Studio Manager at **CoLabs**

Fostering student collaboration and creativity through tailored portfolio tracks and curated networking opportunities. Organizing group activities, networking events, and workshops to enhance skill development, build professional connections, and create a supportive community for students to showcase their talents.

2023-present

Lead Visual Designer at **Future Leader of UX Design**

Designed and curated targeted social media content to promote industry-focused events, connecting SCAD alumni and local/international companies for professional development opportunities. Fostered engagement and participation among students throughout the year.

2018 - 2023

Multimedia Artist

Commissioned artwork for both corporations and individuals. Corporate commissions include AnyMind, Art Of Click, POKKT, CDP, and Quilt.AI. In addition to commissioning artwork, I also participated in "Project Uphaar- Kerala relief fund", raising \$3550 SGD.

2018

Artist at **Tatinis Exhibition**

Participated in Tatinis Art Show, having my own exhibition space as a young artist. My artwork "Flow Series" had five paintings that were sold out. The overall experience allowed me to gain knowledge on how to curate my wall, interact with a wider audience and insight into how media events are conducted.
